WARFARE VS WITCHCRAFT

Warfare will ***build*** you.
Witchcraft will ***break*** you.

WARFARE

SPIRITUAL WARFARE CALLS FOR SPIRITUAL **STRATEGY**.

Ephesians 6:11-13 - Put on the whole armor of God, that you may be able to stand against the schemes of the devil. For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm.

Forgiveness
Repentance
Listening

Psalm 100:4, Matthew 6:9-13

Fasting develops a hunger for God. This means abstaining from food and/or water for a period of time. In order to fast you must:
Remove all distractions
Submit your flesh fully to The Lord.
Read the Word consistently
Listen and meditate
Take note of your dreams.

Isaiah 58:6

03

Seek the Knowledge of God. You must have an inclined ear to know how you approach the warfare that is currently going on around you. God will give you wisdom or point you to wise counsel when battling with unseen things.

2 Corinthians 10:3-5

WARFARE

SPIRITUAL WARFARE CALLS FOR SPIRITUAL **STRATEGY**.

2 Corinthians 10:3-5 - For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ,

Be Watchful.

After you have identified that you are going through warfare, it is time to search out a watch time so that you can be on your guard.

1 Peter 5:8

05

Authority

Warfare is meant to build your perseverance. You cannot skip warfare as a believer, otherwise you would be poorly developed in a time of intense battle.
You must know this so that you can stand in Authority.

Luke 10:19

Reflection

When we recall that we are both called and chosen, and that we are under protection, we approach challenges from a standpoint of triumph rather than failure.

When facing difficulties, remind yourself of the teachings from The Word of God and the affirmations received from the Lord.

DISMANTLING WITCHCRAFT

The primary goal of witchcraft is control. Instead of imposing our will over God's, we are meant to align with His perfect will and submit to it.

The practice of witchcraft can manifest in marriages, churches, relationships, work settings, geographic areas, and family lines.

"Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will."
Romans 12:2

DREAM INTERPRETATION

God often communicates warnings through dreams. When you see faces in your dreams, remember that our struggles are not just physical. It is crucial to seek guidance from the Lord, as these dreams might indicate individuals you should distance yourself from at this time.

Here are some typical dream signs that suggest the presence of witchcraft in your life.

Darkness	Creatures	Fighting	Eating	Rats
Chains	Roaches	Swimming	Graves	Spiders
Snakes	Being Chased	Being Shot	Witches Warlocks	

WAGE WAR

Witchcraft should be approached with caution. To effectively combat the unseen forces, it is essential to seek protection from The Lord. Keep in mind that true freedom cannot be attained if one insists on maintaining control.

Refer to Psalm 91 and Psalm 37 for further guidance.

HOW I KNEW

I WAS UNDER WITCHCRAFT

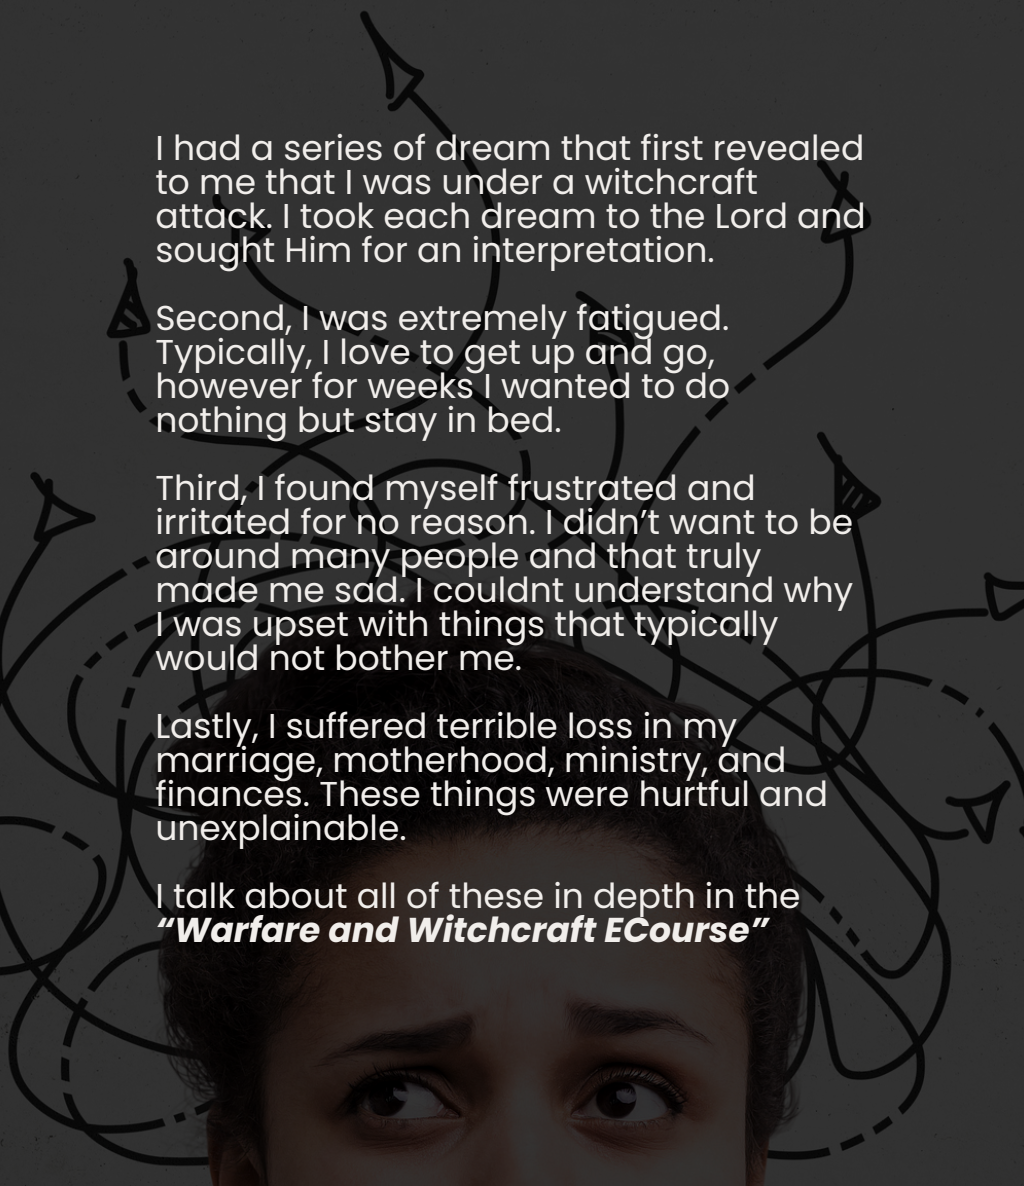

I had a series of dream that first revealed to me that I was under a witchcraft attack. I took each dream to the Lord and sought Him for an interpretation.

Second, I was extremely fatigued. Typically, I love to get up and go, however for weeks I wanted to do nothing but stay in bed.

Third, I found myself frustrated and irritated for no reason. I didn't want to be around many people and that truly made me sad. I couldnt understand why I was upset with things that typically would not bother me.

Lastly, I suffered terrible loss in my marriage, motherhood, ministry, and finances. These things were hurtful and unexplainable.

I talk about all of these in depth in the ***"Warfare and Witchcraft ECourse"***

SETTING BOUNDARIES

To set boundaries, you must verbalize and uphold them with further actions. Be very explicit and explain to the person your expectations and how they can reach them.
People often negatively react to your attempts at setting limitations; common reactions include pushback, testing limits, ignorance, defensiveness, ghosting, or silent treatment. Unfortunately, there is no way to overcome it without discomfort, so you must be ready to deal with it.
Your approach to boundaries stems from your parent's behavior. Those whose parents didn't respect their children's needs have issues honoring their boundaries as adults.
Also, boundaries can concern different spheres of your life, and you may have problems only with some of them: physical boundaries, sexual boundaries, intellectual boundaries, emotional boundaries, material boundaries, and time boundaries.

Building boundaries benefits your physical, emotional, and mental well-being;

CONCLUSION

Whether you are going through warfare to build you and push you into a new season/capacity OR you are going through witchcraft placed on you by someone close, we must remember it is **not** about methods but about relationship with The Lord *and* an understanding of righteousness in Him through the shed blood of Christ Jesus.
